

GOLF COURSE UPDATE

After 26 years as the superintendent, Mike Waisanen has decided to move on to new adventures. We want to thank him for all of the hard work he has put in throughout the years to make this golf course better today than it has ever been. He will be greatly missed.

Everybody here on the maintenance crew is excited for the year ahead of us.

We can feel the warm weather just around the corner. This month we will be continuing to work on

and maintain bunkers as the weather allows, as well as fill and level stump holes. We are continuing to get our equipment tuned up and ready for the spring season. As the weather starts to warm up we will be able to get the greens mowed to smooth out any old foot prints and help you make more putts. Remember to fix ball marks on the greens and fill divots with sand and seed. If the weather is cold call the pro shop or the maintenance shop to get a frost update. If you have any questions or comments stop me on the course or call me at the maintenance facility.

Thank You,
Tucker Keyes
Golf Course Superintendent

RED WOLF GOLF CLUB FEBRUARY 2022

Red Wolf family member heads north.

Golf Course Superintendent Mike Waisanen could no longer block the call of the Wild. For many years he put his heart and soul into bringing us the best golf course possible. The ownership showed in his work, pride and the time he invested into what has become the best course

in the area. He most definitely left some big shoes to fill. The dedication to perfection, the fairways, the greens, the ponds, the bunkers, keeping the leafs at bay and not to mention the droppings of the geese. We are thankful for the fine crew he has assembled and I know in my Heart they will continue to provide us with a First Class course.

As Mike begins his new chapter in his life, joining his wife Heidi up on the family ranch in St. Maries. He is like a little kid, all set to play (work) on his dozer, ready to push snow, skid trees & enjoy the great outdoors.

Mike you will be Truly missed, we wish you and your family the very best in your new adventures. Your Red Wolf family.

Respectfully,
Zeke Domebo,
Outreach Supervisor
