

GOLF COURSE UPDATE

Dear Members,

The first frost of winter has hit and with it the end of another amazing golf season in the valley. However, that doesn't mean that the clubs need to put away. As the weather permits, we will keep the course beautiful so that you can keep your game sharp. The changing leaves are falling and we are cleaning them up the moment they touch the ground. Now is the perfect time to grab a Red Wolf hoodie from the pro shop make some birdies.

This month, as the weather gets colder, we will be preparing the course for the cold and snow. You may notice the speed of the greens slow down a bit as we let them grow slightly longer. This will keep the grass healthy and allow it to withstand any disease this winter. We will continue to roll the greens and keep those putts dropping.

We hope you continue to enjoy the Red Wolf all winter, whether it

be on the course, trying the new breakfast menu at the restaurant, or challenging a friend to a match on the simulator. We thank you for filling your divots, and repairing ball marks. During cold weather, please make sure to check in at the pro shop to make sure there is no frost delay. Don't hesitate to stop me on the course or call the Maintenance shop if you have any question.

Thank you,
Tucker Keyes
Golf Course Superintendent

Happy Thanksgiving
from your friends at Red Wolf Golf Club
