

## GOLF COURSE UPDATE

May has to be in the running for the most beautiful time of year at Red Wolf. Trees are blooming. Grass is growing. The greens are rolling smooth and there are plenty of birdies to be had. We can feel the summer weather just around the corner.

April was a busy month with aerification. The process went perfect and the greens healed in record time thanks to the wonderful weather we've been having. I want to thank the members who volunteered their time while the course was closed to come out and fill divots on the par 3 tee boxes. Larry Baker spent about eight hours out here making sure not a single divot was missed. You can already see his hard work paying off as the seed is sprouting and the tees are filling in.

This month, as we move closer to summer, we are working on getting the pool and tennis court ready to open. The pool is on schedule to open Memorial Day Weekend and we are hoping to get the tennis court up and running by the end of the month.

As the amount of play increases throughout the summer, it is very important that golf carts stay on the cart path when around the greens and tees to limit compaction and matting down of grass. Please remember to fix ball marks on the greens and fill divots with sand and seed. We love getting to see the community enjoy our wonderful golf course. If you have any questions or comments don't hesitate to stop me on the course or call me at the maintenance facility.

Thank You,  
Tucker Keyes
