

## GOLF COURSE UPDATE

June is here already. It seems like just yesterday we were waiting of the frost to clear. Its time to break out the swim suits and sun screen. The course is looking beautiful as we head into the summer. We have hired on a couple new workers to get us through the summer so feel free to give them a wave as you are out playing.

This month we will be able to catch up on some of our small projects. We will be working on cleaning up the edges of the sand bunkers, cleaning up the tall grass around the trees and pond edges, and working filling divots on the tee boxes. As the heat arrives we will transition to spot watering the dry spots around the course.

As the amount of play increases throughout the summer, it is very important that golf carts stay on the cart path when around the greens and tees to limit compaction and matting down of grass. Please remember to fix ball marks on the greens and fill divots with sand and seed. We love getting to see the community enjoy our wonderful golf course. If you have any questions or comments don't hesitate to stop me on the course or call me at the maintenance facility.

Thank You,  
Tucker Keyes  
*Golf Course Superintendent*

## WELCOME Our New Members!

RED WOLF GOLF CLUB JUNE 2024

Dear Members,

As summer approaches, we're excited to step into a season where the days are longer, the weather is warmer, and hopefully there is more golf to be played. Whether you're looking to perfect your swing or enjoy a relaxing round with friends, we encourage you to use the extended daylight to play your favorite course in the valley. Here are a couple announcements for the upcoming months.

Junior clinics dates are set for the summer. These are an opportunity for young golfers ages 6-17 to learn the fundamentals, and develop of

lifelong love for golf. Whether you're looking to make your high school golf team or picking up a club for the first time, our junior clinic is great for all skill levels. 3-Day Clinics 9am-12pm will be June 24th-26th, July 8th-10th, and July 28th-30th. \$90 per session. \$200 for all sessions.

We are thrilled to be getting an update on our POS system which will change how we do a few things here at RWGC. We do want to ask our members to check in as best as they can with whoever is working in the pro shop so we can improve our data tracking. We are going to be launching an online tee time booking system along with the new POS so you can book your time from home or on any mobile device.

It is almost time for the annual Tri-State Foundation Chip Shot Fundraiser. This is a fun and friendly competition for teams of 4 to battle it out in 3 different flights Men's, Mixed, and Women's Flight. With this big event we will be struggling to get carts, and if any members would like to donate their cart to use please contact Kurt or I, we will make sure they get in the hands of trustworthy people.

We thank you for being a valued member of RWGC and look forward to seeing you on the course and making this summer an unforgettable season of golf.

Keith Kipp  
*Associate PGA Professional*
