GOLF COURSE UPDATE

I hope everyone had a wonderful Christmas and an amazing end to 2024!

We are excited for what is coming in 2025.

This month, as weather allows, we will continue working on keeping the course free of leaves as well as tuning up the equipment for the next season. We put a hold on some of our projects during the fall

while we were cleaning up leaves, but will be able to resume working on them this month.

Thank you all for your patience during frost delays. Please remember to keep carts on cart paths and away from greens.

Thank you for filling divots and repairing ball marks on greens.

If you have any questions or comments feel free to stop me on the course or give me a call at the Maintenance shop.

Thank you,
Tucker Keyes
